

COVID 19 UPDATE

For Patient safety and the safety of the Staff we are now implementing a **Telephone Triage Service** to limit the possibility of coming into contact with the coronavirus in a large gathering.

All appointments will be booked in with the doctor as a **telephone consultation**.

We ask that patients requesting an appointment not to queue outside the practice and instead to call the surgery on 0208 888 1736. Due to the reduction of online booking capacity there are a higher volume of calls coming through and we ask for your patience and understanding for the waiting time.

Alternatively an [appointment request form \(see below\)](#) will be available which can be completed and placed in the Collection Box outside the surgery.

We thank you for your patience and understanding in these times.
